DEDICATION

To one who has long deserved this honor, we dedicate the 1964 Seer.

Her devotion to Clarke and the efficiency with which she works for its purpose are appreciated by all. Her value to the school can never be measured by any monetary sum, and her Christian attitude can never be removed from Clarke College.

She serves faithfully and contributes much of her time with no expectation of reward.

It is with love and respect that we dedicate this yearbook to Miss Joe Allyne Wesson.

IN MEMORIAM

In loving memory of her Christian influence and friendly smile, we the annual staff dedicate this page to Peggy Hughes.

She was not with us long, but in that short time we came to love and admire her.

Peggy's image and spirit will remain with all of us who knew her through out the rest of our lives.

PRESIDENT'S MESSAGE

As I look upon you Christian young people
Who have come to us from far and near
And soon will go from us into many paths,
I see today -- but I also see beyond today;
I see tomorrow,
And other tomorrows on and on.

I see you facing well the opportunities
That are yours today. I see you
Purposing in your heart to live life at its best;
Preparing for that purpose by worthy living now; and
Pursuing that purpose through the years to come.

DEAN'S MESSAGE

The construction of a beautiful, well-planned science building, the purchase of electronic pianos, and the paving of streets are evidences of physical improvement at Clarke College. Faith in our institution is shown by financial support.

Our President, others in the administration, and faculty members attend conferences, workshops, and summer schools so that we may continually improve our instructional program. An enlarged faculty and enriched courses in the curriculum attract students in other areas.

Improved facilities and improved instruction are provided to offer you, the students, the greatest possible opportunities. Clarke's purpose is academic excellence in a spiritual environment.

PANTHER REVIEW

The Clarke College Panthers, coached by Mr. Preston Beatty began their basketball season against the Southwest Junior College Bears. They entered this game with only two returning sophomores; Charles Jolly and Charles Story.

The remainder of the team was composed of freshmen: Bobby Espay, Gary Gressett, Billy Brewer, Eddie Medlock, Buford Easley, Larry Van Neste, Jack Schrimsher, Mike Pierson, John Hatchett, and Bill Privett. Second semester Ronnie Smith joined the team. The Panthers

won this thrilling game by defeating Southwest 77-64.

Charles Story was the high scorer with 26 points. He was followed by Gary Gressett with 25 and Bobby Espay with 14. This was the first defeat at home for Southwest in several years.

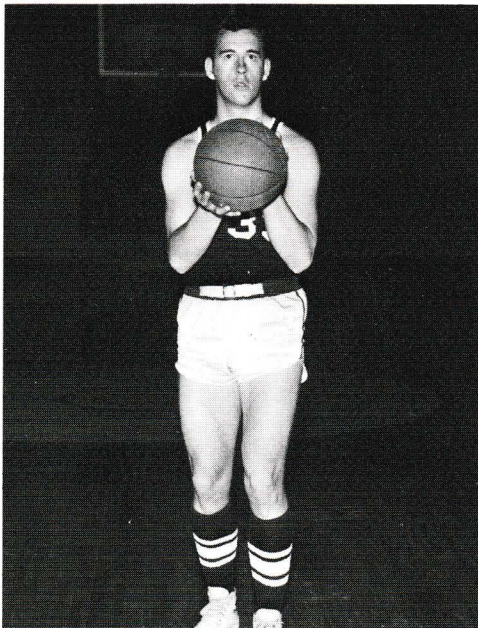

The Panthers followed this win over Southwest with narrow losses to Itawamba, 68-64, and to Marion

Institute 88-83, before taking third place in the Perkinson Tournament by defeating Jones Junior College, 81-62. Charles Story was high scorer in the latter game with 24 points. He was followed by Bill Privett and Bobby Espey with 14 each.

Following the Perkinson Tournament, the Panthers took a 116-72 defeat from the Mississippi

season high of 35 points. The last two games during this winning streak were against South-eastern. In the second of the two games, the Panthers posted a season high victory, 116-62. Each member of the team played and scored in this game. Again Charles Story was the high scorer by tossing in 26 points for the Panthers. Gary Gressett was

a close second with 25.

About this time the Panthers ran into a little trouble as they met Perkinson, Mississippi State Frosh, and Belhaven twice.

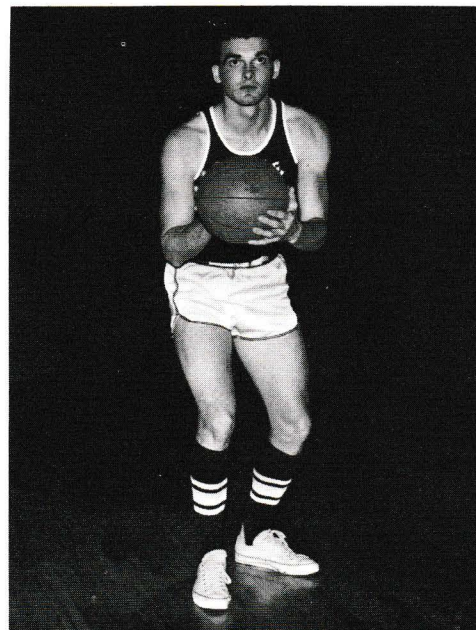

At the end of the season, the team pulled up and brought three successive victories with them. One of these was against Itawamba, a team that had lost only two games during the entire season. In this game, Gary Gressett took top honors with 25 points, followed by Buford Easley with 22 points.

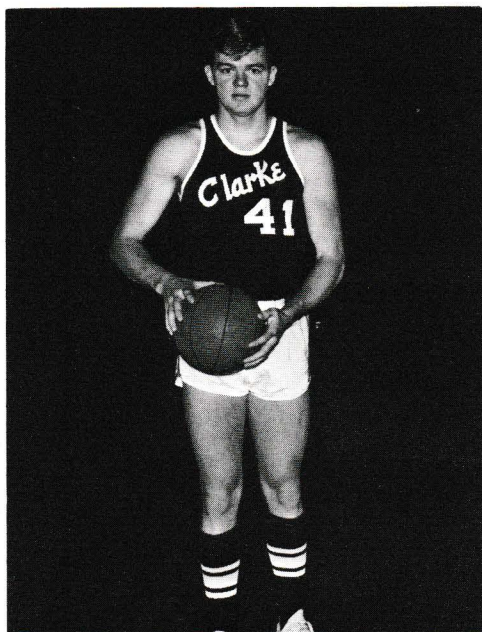

Bill Privett
Forward

With this last victory against Itawamba, the Panthers finished the season with 12 wins and 10 losses. We are very proud of the team and their record. There will be ten lettermen returning next fall.

The team would like to thank Managers, Ronnie Clay, and Jerry Ezelle, and Statistician, Bruce Miller, for their fine help during the season.

BASEBALL

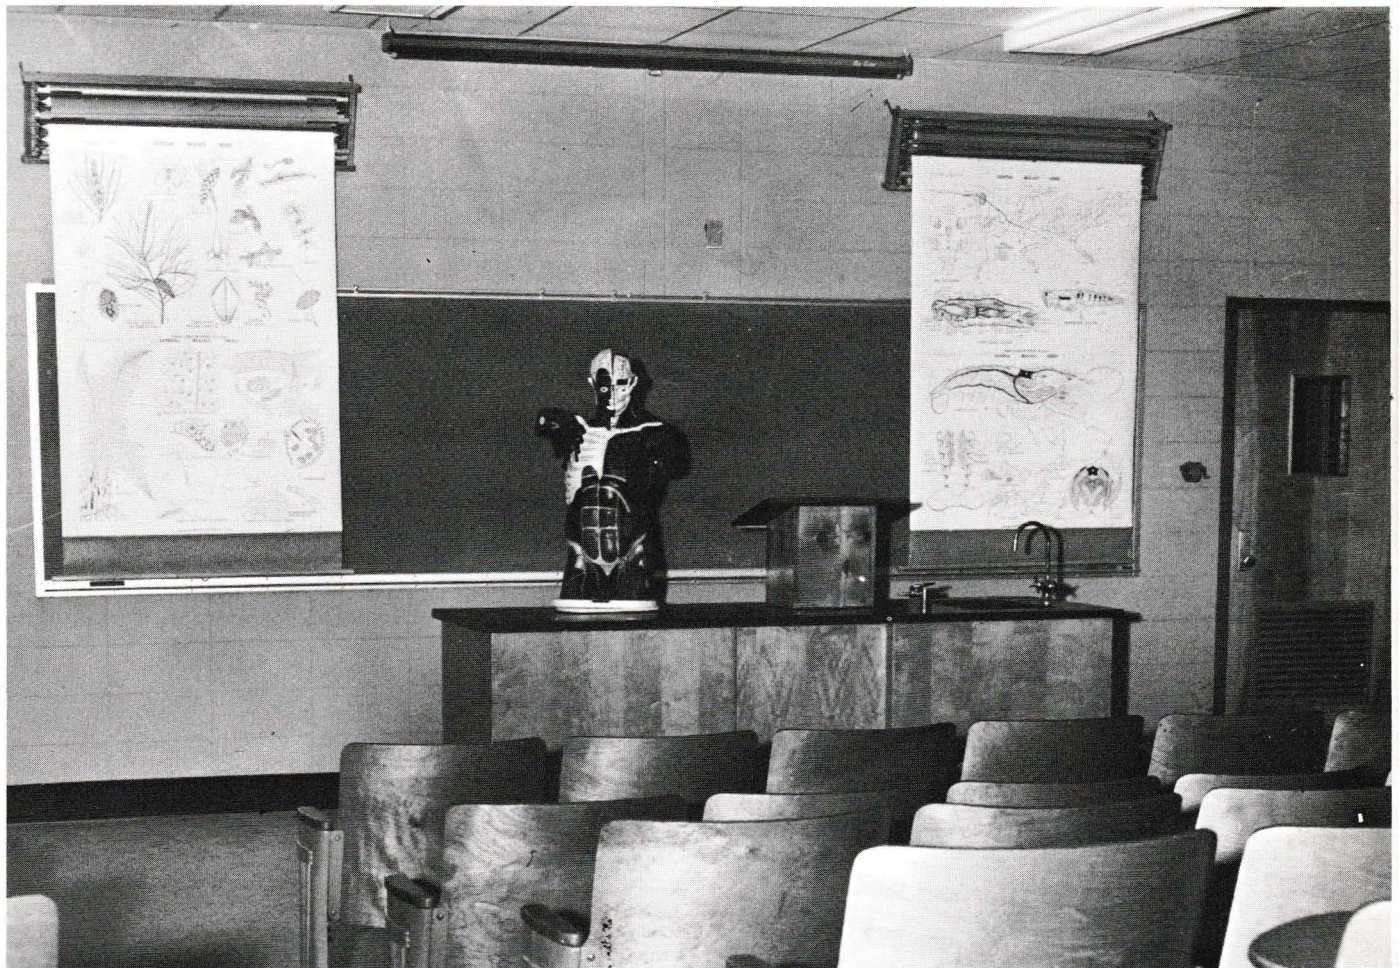

Although it was not possible for us to get a picture of the baseball team, we know that there are many boys trying out for positions. Coach Beatty has told us that from this large number he should be able to pick a team that will represent Clarke well. We are looking forward to a successful season.

FAREWELL

Some have left our ranks to follow a vision that leads to higher realms, the service of God and one's fellow man. Some of us will, we hope, follow in their footsteps. Others will continue in their preparation for life's work. Many will leave the carefree, happy days at Clarke for responsibilities in the business world. All of us go--where, we do not know and cannot say--but we go with the steadfast determination to live up to the ideals of Christian manhood and womanhood presented to us who have been so fortunate as to receive a Christian education. We express our grateful and sincere thanks to our parents, to the faculty and staff, and to our friends, without whose many sacrifices, our Christian education would not have been a reality.
